Please note:-

- The articles described above have been carefully examined and the values given are an expression of our opinion. Unless otherwise stated gemstones have not been removed from settings for accurate assessment, all grades and weights are approximate due to limitations of calculations imposed by settings and or varying gemstone cutting proportions. Diamond colour and clarity grades are based on 10 x magnification. There have been no metallurgical tests conducted.
- This valuation is given with a disclaimer of liability. Whilst all care has been taken in making this valuation, no liability is accepted, other than to the person to whom the certificate is given, for any errors or omissions in the certificate, including any liability to any person by reason of negligence. This certificate is not transferable. The signatory only and not the associations or affiliates have issued this certificate or bear any responsibilities whatsoever.
- This valuation is for RETAIL REPLACEMENT PURPOSES and is based on the current value, in Australian dollars, at the above date and includes Australian GST. No responsibility will be accepted for market or for other variations which could affect the value and which are unknown to the signatory as of this date. With fluctuation in the Australian and I and precious metal markets it is that this certificate be re-appraised each 12 months.
