Average Secondhand Replacement Value **\$1,200 - \$1,600**

Assessed by Mike Pearce
Owner, Victoria Jeweller & Watchmaker

Gemstones have not been removed from the settings for accurate assessment, all grades and weights are approximate. Valuation is based on the current value at the time of valuation and includes Australian Government Taxes where applicable. This valuation is not suitable for any purpose other than the purpose(s) stated above and should not be relied on by an entity besides the addressee unless specifically noted. Average secondhand replacement value is assessed on chrono24 against same model/year/condition. Price is subject to change depending on availability, age & ongoing wear/condition of the item.

TERMS & CONDITIONS

Gemstones have not been removed from the setting(s) for accurate assessment and all grade(s) and weight(s) have been calculated within limitations imposed by the setting(s) and these grade(s) or weight(s) may alter if removed from the setting(s) and re-graded. It is assumed most coloured stones have been enhanced. If a more precise assessment of the gemstone is required, or detection of clarity or colour enhancement they would need to be removed from the setting(s). This can be done with the owner's permission and at additional cost. Whilst all care has been taken while making this appraisal, no liability is accepted other than to the person whom the certificate is given and any errors of omissions, including liability to the person by reason of negligence. Values expressed are in Australian dollars including Government taxes where applicable and based on current market conditions.

Appraisals may only be used for the purpose stated and it is understood that there is NO agreement to purchase any of the articles stated in this appraisal.

The values shown indicate normal retail prices and are noted in Australian \$ inclusive of GST based on current metal prices, US\$ exchange rates with the Australian \$ at the time this appraisal was prepared. Prices in my opinion reflect an average (neither the highest or lowest price you would expect to pay - unless specified, for the piece(s) on this report in a fine jewellery store.

This valuation is to be used as an estimate for retail replacement purposes ONLY, (unless otherwise stated) and is NOT to be used for marketing, advertising or selling purposes. Neither this company nor the valuer accepts any responsibility for any commercial transaction involving this document.

Please note that all valuations rely upon the current market conditions, or personal opinion, relative experience and equipment used by the valuer. It is to be expected therefore that valuations of the same item may vary slightly from valuer to valuer. This does not necessarily constitute error on any part of the valuer, as additionally they may be reporting on differing marketing situations and reporting on differing proposed uses of the assessment. This valuation is based amongst other things, our opinion of the prevailing market forces, supply and demand, exchange rates and commodity prices relevant to the market instructed to be reported on.
