## FULL LIFETIME WARRANTY

Our Promise: that the Diamond is a natural diamond with each of the characteristics stated on the Certificate at the time of sale subject only to the following:

1. "Warranty" means this document; "we", "us" and "our" refers to Tiffany and Company, a New York corporation; "Certificate" means the Tiffany & Co. Diamond Certificate that accompanies this Warranty; "Diamond" means the diamond identified in the Certificate; "Jewellery" means the item of jewellery containing the Diamond; "you" and "your" refers to you, the first purchaser of the Jewellery, and the first person to whom you give the Jewellery during your lifetime.
2. If the Diamond is not as promised in the Certificate, we will, at your option, promptly:
  - accept the return of the Jewellery and provide you with a refund of the full purchase price; or
  - replace the Diamond with a diamond that meets or exceeds each of the characteristics warranted.
3. This Warranty remains in effect during your lifetime for as long as you own the Jewellery.
4. If you make a claim under this Warranty, you must allow us to:
  - examine the original copy of the Certificate;
  - try and resolve your claim amicably;
  - inspect the Jewellery and any gemmological evaluation on which you base your claim;
  - remove the Diamond from the Jewellery for gemmological examination; and
  - have the Diamond examined by an independent gemmological laboratory.
5. We will respond to your claim as soon as possible, but no later than 45 days after we have received your claim. You should direct your claim to any Tiffany and Company store.
6. This Warranty is subject to the conditions stated in the Certificate and those stated below:
  - this Warranty covers only the lack of conformity of the Diamond with each of the characteristics stated on the Certificate at the time of sale and does not cover damage to the Diamond that occurs after the date of sale;
  - the condition of the Diamond will be determined by examination under no greater than 10x magnification and by standard gemmological techniques;
  - if we have provided you with a plot or diagram mapping the interior or exterior features of the Diamond, that plot or diagram has been provided for identification purposes only and the presence or absence of a feature on the plot or diagram will not be covered by this Warranty;
  - the accuracy of angles and linear measurements will be determined by the following tolerances:  
±0.2° and ±0.02 millimetres; and
  - the absence of enhancements will be determined by gemmological tests generally in use at the time of sale.
7. This Warranty does not affect your statutory rights.
