The items described above have been examined and values given are an expression of our opinion. Gemstones have not been removed from the settings for accurate assessment, all grades and weights are approximate. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions.

One off "bespoke" pieces and specialty antique items may attract a premium and exactly the same may not always be available if lost, stolen or damaged.
