### Valuation for Traditional Retail Insurance Replacement

#### Item 1

One, 10ct rose gold, gem set, multi-stone, ring set, of cast construction. The set comprising a 10ct rose gold diamond set engagement ring with a matching 10ct rose gold diamond set wedding ring. Each ring having a plain, narrow, low half round, tapered band with a combined basal width of 3.30mm x 1.21mm in depth. The engagement ring has a diamond shaped top plate, housing a cluster of round brilliant cut diamonds, to the centre, claw set. Surrounding is one row of three tapered baguette cut diamonds, alternating with three round brilliant cut diamonds, graduating in size, and claw set. The top plate is secured between the 'split cross over' style shoulders. The matching wedding ring has one row of twelve single cut diamonds, slightly varying in size, spanning across the top of the band, and claw set. There are a total of twenty-one round brilliant cut diamonds, a total of twelve tapered baguette cut diamonds, and a total of eleven single cut diamonds, claw set. The wedding ring sits alongside the engagement ring above.

The article(s) described above have been examined and the values given are an expression of our opinion on the date stated. Gemstones have not been removed from the settings for accurate assessment and all grades, weights, and dimensions are approximate, unless otherwise stated. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions, including any liability to the person by reason of negligence. This valuation is NOT transferable to any third person or party. Values expressed in Australian dollars (including GST) and are based on current market conditions. This valuation has been made with the standards and methods of the National Council of Jewellery Valuers, using accepted procedures, and systems advocated by this organisation. The values are based on the valuer's judgment of gemstone quality, mounting and manufacturing costs and are made to the best of the valuer's ability. A diamond colour grading of "F" (Rare White Plus) or better and a clarity grading of Vvs (or better), cannot be given to a set diamond. A valuation of a certified diamond is based upon the gradings provided on the certificate. The replacement figure of older cut diamonds is based upon the modern cut equivalent of same estimated weight, colour, and clarity. A valuation for Traditional Retail Insurance Replacement does not infer any saving on a purchase price and will not be indicative of the resale value of the item.
